Luxurious Christmas Collection

Jamie Rodgers' Festive Collection is a long-awaited dream come true, featuring a stunning array of 11 intricately designed dies.

With this collection, Jamie aims to capture the exhilarating anticipation and joyous spirit of Christmas morning, as Santa and Rudolph make their magical deliveries, stockings overflow with treats, and presents gleefully gather under the twinkling tree.

Drawing inspiration from a love of traditional Christmas colours and decorations, Jamie has infused the collection with an air of luxurious tradition. The Elegant Arch and Rippled Poinsettia dies exude an elegant charm that beautifully complements the overall theme.

Prepare to unleash your creativity and have an absolute blast with this collection. The versatile 3D Presents die allows you to breathe life into the enchanting Swirly Snowflake Tree, add delightful depth to the Christmas Stocking, or even fill Santa's Sleigh with delightful surprises. Additionally, the collection includes a new Festive Sentiments die set and an Alphabet & Numbers set, both showcasing Jamie's beloved font style. Feel free to mix and match these dies with Jamie's existing sentiment dies for a truly personalized and unique design.
